

# Lunar Month

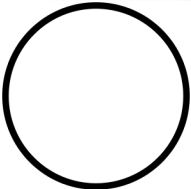

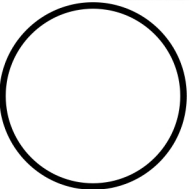

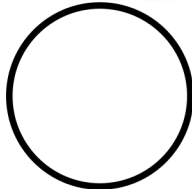

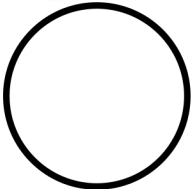

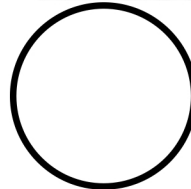

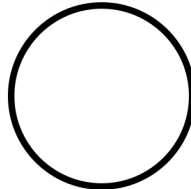

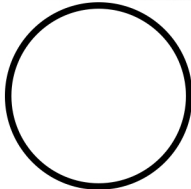

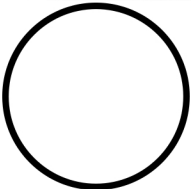

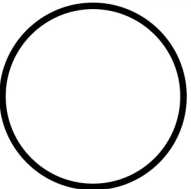

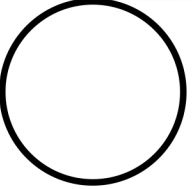

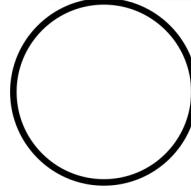

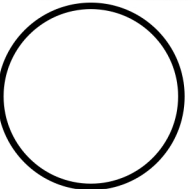

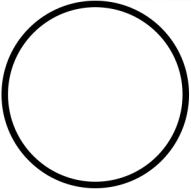

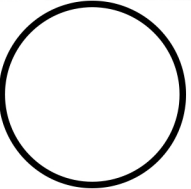

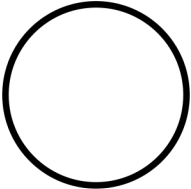

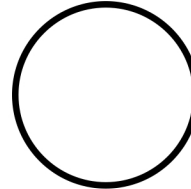

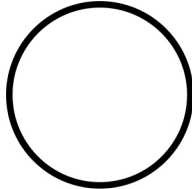

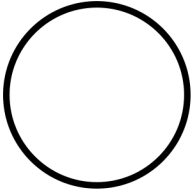

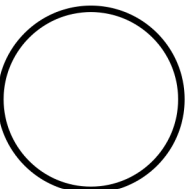

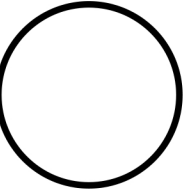

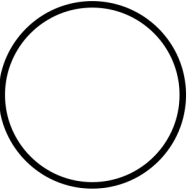

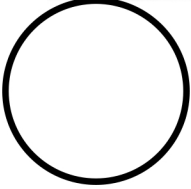

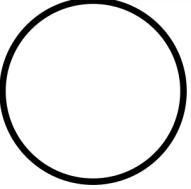

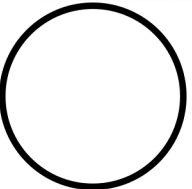

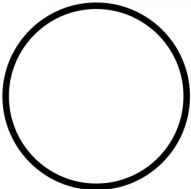

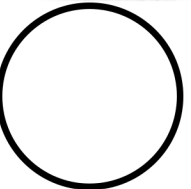

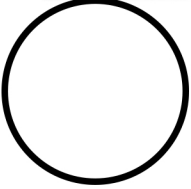

Name: \_\_\_\_\_

Ramadan is the 9th month of the Islamic calendar, a lunar calendar. A lunar calendar is a calendar based on the monthly cycles of the Moon's phases. A lunar month, approximately 29.5 days, is the time between new moons.

**Directions:** Observe the Moon each day during the month of Ramadan. Write down the date you make each observation, and illustrate how the Moon looks each day by shading in the circle to reflect the shape of the Moon.
